

...innovative, creative ways to organize

pull-out slack rack

### ***Pull Out-Slack Rack***

The StorAway Pull-Out Slack Rack's space saving design brings slacks to the top of the hanging space (with conventional hangers the pants hang 6-10 inches below the rod) It's ingenious design also enables it to be pulled out beyond any panels or other hanging clothes allowing light for easy selection. No more mistaking dark blue for black!

## pull-out slack rack

- ✓ Eliminates the need to “feed” pants onto a hanger
- ✓ Design allows for easy on/off of your slacks
- ✓ Keeps slacks pressed by keeping them spaced 1” apart
- ✓ Pant rails pivot allowing view and selection of slacks
- ✓ Fits in 14” deep closet systems
- ✓ Full extension slides
- ✓ Available in 18, 24 and 30 inch widths
